

Little Readers Club Rules & Supply List!

Thanks for using [The Homeschool Help Desk!](#) Remember any blue text you see in this download has a link attached to it. Clicking them may help you find related things more quickly. Everything I offer is 100% FREE and always will be! I have frequently been asked if I accept donations for the "hard work". The answer is no, I do not. I'm not creating and sharing materials to get rich. Sure I could use some extra cash, who couldn't right? But that's not why I'm doing this! When I say I just want to help homeschoolers as much as possible, I mean it. I genuinely do not do this to receive anything in return! If you really want to do something to help out and show support all I ask is you share the link! I'd love to advertise the site and reach as many homeschool families as possible and plan to do so as much as I can, however that can be costly so I don't get to do it as much as I'd like. If everyone could please take a few moments to share the site link anywhere possible, as often as you can, help get the word out! That's all the payment I could ask for and it'd be much appreciated!

Please feel free to share this and download and share anything else you get from my sites as much as you want. The more you share the more people that receive help.

I have no issue with you altering most of what you find on the site, in fact I do my best to offer as many DIY worksheet options as I can so you can customize them to better suit your children and homeschool methods. I do ask that you not remove my site information from anything you share, keep it so others can find help there as well. Please, help me reach more people seeking help, do NOT remove the site info.

I'm trying to keep the site as simple as possible so it's easy to use. I'm figuring it out as I go, I am not very savvy at this but

I'm trying my best to make it a great place for homeschoolers and offer you much more than just worksheets.

The site is already loaded with so many things to help homeschooling in so many ways but I don't plan on stopping or slowing down! I am upgrading the site whenever I can so I can offer you more and more. You can also follow on other popular platforms. The links for them are on the website, as well as a [HHD YouTube channel](#) complete with educational [playlist](#) from several amazing YouTubers.

So, if you like what am I'm doing here, please, help me continue to do it and to keep improving. SHARE the site link & info! Spread the word, help it grow so I can keep helping make yours and others homeschooling journeys a bit easier, and maybe even little more fun!

If you find any typo's or errors in anything please leave a comment, send a message, or e-mail me at thehomeschoolhelpdesk@gmail.com

Thank you

Little Readers Club Rules!

- ✍ The most important rule is Do NOT give out any personal information, such as last names, phone numbers, addresses, etc. If you and/or your children really seem to connect with someone in the club and you'd like to start a pen pal situation, or schedule time for them to talk or hang out outside of book club, please email me the name of the person you'd like to connect with and I will contact them to see if they'd be interested as well and pass along your email, ONLY with your consent!
- ✍ The second most important rule is BE KIND AND RESPECTFUL OF EVERYONE IN THE MEETING. If you have nothing nice to say, don't say anything!
- ✍ It's fine to disagree with someone, just do it in a respectful manner. This must remain a safe space for all!
- ✍ Please remain muted until it's your turn to talk. Nobody likes being interrupted! Raise your hand if you want to talk, and/or respond or comment on something someone else has said.
- ✍ There is no soliciting of any kind permitted in the book club meetings! If you have something you'd like to offer homeschoolers, or the book club specifically please email me privately. I will add it to the HHD site, FB page, and/or FB group, provided it's actually helpful to others and not just propaganda. I know this may seem rude or mean to some, but **the club meetings are for the children, not promoting!** Anyone attempting to promote anything in the meetings will be ejected immediately! I pay to keep ads off of everything I run so people aren't bombarded and annoyed with it when all they're trying

to do is get a little help! So please respect that and keep it out of the club meetings!

- ✍️ Parents, please attend, or at least be near by to, close enough to help your children if needed, and help make sure they follow book club rules so everyone has a great time!
- ✍️ Please, do your very best to come prepared each week.
- ✍️ If you have any issues with someone or something that happens during the meeting, please stay respectful and contact me after to address the matter. I will do what I can to help the situation.
- ✍️ If you need anything, please just email me at thehomeschoolhelpdeskbookclub@gmail.com I will do my best to help you out!

That's it for now! If any rules change or are added you will receive an updated version in your inboxes! You can check out the arts & crafts supply list below if you'd like to be prepared for craft time! Thank you!

P.S. If you would like to schedule a zoom/video meeting with me before signing up for the book club, I'm happy to do it. Being a parent myself, I know the desire to protect your children as much as possible, and the internet is full of crazy people sadly. So, if meeting beforehand helps put you at ease I am absolutely happy to do that, just shoot me an email or message!

Arts/Crafts Supply List

This is a list of items you may want to keep on hand if you intend on participating in the crafts portion of the club. I added anything I could think of that would come in handy for cheap, easy, 30 min or less crafts. We won't use all of these items every single time, some we won't use often, and occasionally we might use items not on the list. But don't worry, I will tell you in plenty of time to gather those items.

Don't feel like you must have these items immediately or always in stock, you will still get a supply list for each craft we plan on doing prior to each meeting. This is just to help you be prepared ahead of time if you'd like to. I prefer to be as prepared for anything as much as I possibly can be, you might not. That's fine to, this is just in case you do like to be prepared like myself.

I do recommend having old clothing or an apron, newspaper or something to craft on that you don't mind dirtying (possibly even staining), and the basic, frequently used items (written in orange) at all time if possible. If the list is added to, I will send out a updated copy.
